

**Title**

UI/UX Designer

**Excerpt**

We're looking for a UI designer with a burning desire to create, to collaborate with our exciting, Stockholm-based client in the automotive sector.

**Text**

Our client delivers digital innovation to some of the world's most prestigious brands (Porsche, Lamborghini, Audi, Bentley). Beetroot is seeking a passionate, product-minded UI-design specialist to help our client reach even greater heights.

Per our collaboration model, you will work and communicate directly with the client-side development team.

**What we're looking for**

- Minimum 3 years software UI design experience
- Strong digital focus portfolio (UI, apps, web, systems, etc.)
- Black belt in Sketch, Figma, Photoshop, Illustrator, etc.
- Welcoming of feedback and constructive criticism
- Enthusiastic team collaborator
- Superb English

**Bonus**

- Understanding of mobile, web, and system development
- Basic front-end coding experience (HTML, CSS)
- Motion Graphics (After Effects or similar)
- 3D Graphics (Cinema 4D or similar)
